AMIA Academic Forum
Seventh Annual Conference

Hosted by Vanderbilt University
Department of Biomedical Informatics

Nashville, Tennessee
May 21-22, 2013

FINAL CONFERENCE PROGRAM
The 7th Annual AMIA Academic Forum Conference will be held May 21-22, 2013, in Nashville, Tennessee. Attendance at this conference is included as part of membership in AMIA’s Academic Forum. No separate registration fee is required for up to two representatives from each member institution. Breakfast, lunch, coffee breaks, as well as a reception and dinner are included with your participation, while travel and hotel are not included.

The conference will take place at the Marriott Nashville at Vanderbilt University 2555 West End Avenue, Nashville, TN 37203, in the Parthenon Salon C. The luncheon will be held in the Crescent Room.

There will be an off-site event, a reception and dinner on Tuesday, May 21, in the Heard Library Community Room on the Vanderbilt University campus hosted by the Vanderbilt University Department of Biomedical Informatics. Transportation will be provided to and from campus.

**AMIA Academic Forum Executive Committee**

**Chair**
Cynthia Gadd, Ph.D, MBA, M.S.
Vanderbilt University
Nashville, TN

**Chair-elect**
Charles P. Friedman, PhD
University of Michigan
Ann Arbor, MI

**Past-Chair**
Stuart Speedie, Ph.D
University of Minnesota
Minneapolis, MN

**Secretary**
Timothy B. Patrick, PhD
University of Wisconsin-Milwaukee
Milwaukee, WI

**At-Large**
Harold Lehmann, M.D., Ph.D, FACMI
Johns Hopkins University
Baltimore, MD

**AMIA Board Representative (Ex-Officio)**
Rita Kukafka, DRPH, M.A.
Columbia University
New York, NY

**AMIA President and CEO (Ex-Officio)**
Kevin Fickenscher, M.D., CPE, FACPE, FAAFP
AMIA National Office
Bethesda, MD
Conference Program

May 21, 2013 – Day One

7:00 am - 8:00 am
Breakfast Buffet Available

7:30 am - 8:00 am
Registration

Topic – Quality Assurance in Higher Education – Understanding the Roles of Accreditation and Certification

Prudence Dalrymple, Director of the Institute for Healthcare Informatics, Drexel University
Benson Munger, Associate Director, Research and Emergency Medicine, University of Arizona

9:15 am – 10:00 am
Keynote: Lorraine Lewis, Executive Director, Review Committees for Anesthesia, Preventive Medicine, Transition Year, ACGME
The Accreditation Process for Clinical Informatics Subspecialty Fellowship Programs

10:00 am – 10:45 am
Panel – Reactions and Discussion

Harold Lehmann, Associate Professor, Johns Hopkins University and Academic Forum Clinical Informatics Subspecialty Fellowship Accreditation Task Force Chair
Anne Turner, Assistant Professor, University of Washington
Christoph Lehmann, Professor, Vanderbilt University

10:45 am -11:00 am
Coffee Break
May 21, 2013/Day One (continued)

11:00 am - 11:15 am
Update on the AMIA Clinical Informatics Subspecialty Review Course
Bill Hersh, Professor, Oregon Health Sciences University and Course Director

11:15 am – 12:30 pm
Task Force Reports
AMIA Informatics Accreditation Task Force Report and Discussion – Chuck Friedman, Director, Health Informatics Program, University of Michigan and Task Force Chair
Advanced Interprofessional Informatics Certification Task Force Report and Discussion – Cindy Gadd, Vanderbilt University and Task Force Chair

12:30 pm – 1:30 pm
Buffet Lunch

1:30 pm – 2:30 pm
Resources to Support AMIA Student Members, with the AMIA Student WG – Panel, Discussion, and Action Plan
• Paulina Sockolow, Assistant Professor, Drexel University
• David Kaelber, Chief Medical Information Officer, The MetroHealth System and Associate Professor, Case Western Reserve University

Panel – Reactions and Discussion
• Stuart Speedie, Professor, University of Minnesota
• Timothy B. Patrick, Associate Professor, University of Wisconsin-Milwaukee

2:30 pm – 4:00 pm
The Informatics Training Pipeline – from Education to Industry with the AMIA Industry Advisory Council: Part 1
Industry Perspectives on the Career Development Needs of Informatics Professionals – Panel and Discussion
• Michael Cantor, Director, Healthcare Informatics, Pfizer, Inc.
• Rodney Hamilton, Chief Medical Information Officer, Informatics Corporation of America
• Ross D. Martin, Vice President of Corporate Relations and Business Development, AMIA
• Mary Mirabelli, Vice President, Clinical Services Group and EHR Implementation Director, HCA Healthcare
• Mary Speciale, AVP Training and Education, HCA Healthcare

4:00 pm – 4:15 pm
Coffee Break
May 21, 2013/Day One (continued)

4:15 pm – 5:15 pm
“Birds of a Feather” Sessions – TBD by the Attendees
  • EHR "Sandboxes" & Other Resources for Education
  • After ONC Training Funds
  • Regional AMIA Chapters
  • Academic Forum Member Data Collection & Dissemination

5:15 pm – 5:30 pm
AMIA-TV Presentation

6:00 pm – 8:00 pm
Reception and Dinner
Vanderbilt Heard Library Community Room
May 22, 2013 – Day Two

7:00 am - 8:00 am
Breakfast Buffet Available

8:00 am – 9:15 am
The Informatics Training Pipeline – from Education to Industry with the AMIA Industry Advisory Council: Part 2

Informatics Practica and Internships – Definitions, Value Proposition, Best Practices – Panel and Discussion

Results from the Academic Forum Members’ Survey, Timothy B. Patrick, Associate Professor, University of Wisconsin-Milwaukee

- Experiences from OHSU, Bill Hersh, Professor, Oregon Health & Science University
- Towards a Distributed Practical Internship Model, Justin Starren, Professor, Northwestern University
- Experiences from Indiana University and Regenstrief, J.T. Finnell, Director and Associate Professor, Health Informatics, IU School of Medicine, Research Scientist, Regenstrief Institute
- Rodney Hamilton, Chief Medical Information Officer, Informatics Corporation of America
- Ross D. Martin, Vice President of Corporate Relations and Business Development, AMIA

9:15 am – 10:15 am
Innovation in Informatics Education … A Member Showcase and Discussion

- Anthony A. Luberti, Medical Director, Informatics Education, Children’s Hospital of Philadelphia (CHOP)
- Bonnie L. Westra, Associate Professor, University of Minnesota, School of Nursing

10:15 am – 10:30 am
Coffee Break

10:30 am – 11:15 am
Looking to the Future: What’s Next on the National Health IT Agenda and Its Impact on Informatics Education – Open Discussion

11:15 am – 11:30 am
Closing Remarks
Kevin Johnson, Cornelius Vanderbilt Professor & Chair of Biomedical Informatics, Vanderbilt University and Professor of Pediatrics, Vanderbilt University Medical Center

11:30 am
Adjournment
