Title of Your Submission

Firstname A. Lastname, Degrees¹, Firstname B. Lastname, Degrees²

¹Institution, City, State, Country (if applicable); ²Institution, City, State, Country (if applicable)

Abstract

Abstract text goes here, justified and in italics. The abstract would normally be one paragraph long. See Table 1. for appropriate abstract length by submission type.

Introduction

This template should be used as a starting point for AMIA submissions.

It is important to review the AMIA Call for Participation (CFP) where types of submissions considered and general requirements for each submission type are listed. All submissions must conform to the format and presentation requirements described in the CFP and at the submission site.

Methods

This text uses a paragraph to describe methods. This text uses a paragraph to describe methods. This text uses a paragraph to describe methods. This text uses a paragraph to describe methods.

Results:

This sentence has two reference citations^{1,2}.

More text of an additional paragraph, with a figure reference (Figure 1) and a figure inside a Word text box below. Figures need to be placed as close to the corresponding text as possible and not extend beyond one page.

Figure 1. [Example] Total allergy alerts, overridden alerts, or drug order cancelled.

This is additional text added just to show the one-column formatting. This is additional text added just to show the one-column formatting. This is additional text added just to show the one-column formatting. This is additional text added just to show the one-column formatting.

This is additional text added just to show the one-column formatting. This is additional text added just to show the one-column formatting.

This paragraph contains a reference to a table just below (Table 1). All tables need to be placed as close to the corresponding text as possible, But each individual table should be on one page and not extend to multiple pages unless labeled as “Continued”.

Table 1. Submission type, abstract length, and page length maximum for AMIA submissions.

| Submission Type | Abstract Length | Page Length Maximum – <i>If your submission is longer than what is specified below, it will be rejected without review</i> |
|---------------------------|------------------------|---|
| Workshop | 250 - 300 words | Four |
| Presentation | 50-75 words* | Two (tables and figures go on page 2) |
| Panel | 150-200 words | Three |
| Poster | 50-75 words* | One |
| Ignite-style Talk | 50-75 words* | One |
| Interactive Demonstration | 150-200 words | One |

* All presentation, poster, and ignite-style submissions must have a brief (50-75 words) abstract. The abstract does NOT have to be part of the document, but must be entered on the ScholarOne submission website in the Abstract box in Step 1.

This is another paragraph.

Discussion of Results

This text uses a paragraph to describe important findings of the project. This text uses a paragraph to describe important findings of the project. This text uses a paragraph to describe important findings of the project. This text uses a paragraph to describe important findings of the project.

Conclusion

Your conclusion goes at the end, followed by References, which must follow the Vancouver Style (see: www.icmje.org/index.html). References begin below with a header that is centered. Only the first word of an article title is capitalized in the References.
